CTAMMERING REMOYED BY MECHANICAL MEANS,
The inventor of this method for the cure of stammering,
invites those afflicted to call and examine his appliances,
and to show them that he is no imposter the is willing to
have his method exemined publicly against lany method
that is known, particularly the scoret methods with selfstyled professors and doctors. The next that present
himself for competition against the inventor, it is to be
hoped will have better success than the professor, who sayles
himself the wonder of the world, had before the class of hydropathic and physiological school on Tuesday ovening last.
The appliances can only be obtained of the inventor and
patentee, to whom application must be made and letter patentee, to whom application must be made and letters addressed, at 117 Spring street, New York, and 131 South Ninth street, Phi adelphis. N. B. The inventor leaves for Philadelphia on Saturday next.
